Managing a business today, you need critical information to stay on top of all the priorities. The SalesRabbit Admin Pack was designed with the busy manager in mind. It quickly gives both managers and salespeople the information they need to succeed in today’s fast paced marketplace.

The Admin Pack delivers business-critical sales and sales team data:

- Account History
- Top Active Customers
- Account Acquisition and Sales Summary
- Lead Conversions

- Sales team activity result summaries
- Team calendars
- Account group sales figures analytics
- Accounts in Jeopardy
- Month-to-month analyses & projections
- Listings and summaries of “untouched” accounts

No other technology solution comes close to the Sales Rabbit Admin Pack’s ease of use, focus on management needs, and “no brainer’ pricing.
